Restorative Practice e-Learning CPD for Schools

e-Learning CPD for Primary, Secondary and Special Schools

What's happening?

Four new e-Learning CPD courses have been produced with primary, secondary and special schools, to generate positive mental health and well-being; respond better to challenging behaviour; improve communications and relationships across the school and with parents/carers.

Our team has recorded video content and interviews to view alongside written content, to communicate restorative practice (RP) principles and skills in school settings.

In addition, learners virtually 'visit' primary, secondary and special school classrooms to see RP in action.

Alongside access to the e-Learning CPD course/s, we guide each school to produce a plan for staff engagement and roll-out of the e-Learning, and we provide extra support via live video meeting/s.

Register now for access to the courses

Please contact: Mrs Lesley Parkinson; e-mail: lesley@restorativethinking.co.uk; Tel: 01772-742353

Courses

1. Fostering Restorative Practice in Schools (5 hours)
2. School Leadership through a Restorative Lens (1 hour)
3. Restorative Practice and Transition (1 hour)
4. Restorative Thinking with Early Years (1 hour)

After watching the role play:

Restorative Thinking holds the Restorative Service Quality Mark (RSQM), the Training Provider Quality Mark (TPQM), the CANparent Quality Mark, the i-Network Innovation Award for 'Transforming and Innovating Public Services' (November 2018) and the Teach Primary PSHE and Citizenship Resource Award (2018).

To enrol your school, please contact Mrs Lesley Parkinson:
